SIMPLICITY

SIMPLICITY

Keeping things simple sometimes is the best way to get a good photo.

The easiest way to do this is to close in on your subject, excluding as much of the surroundings as possible. On the other hand, if you want to include some of the environment, try and keep it as uncluttered as possible. Try and include only the elements that make your image stronger.

Your task is to take;

- 5 shots of simplicity

Grading: Each picture will be evaluated on a scale of 1 to 5. The focus will be on the tips mentioned below.
